Annual Valentine's BINGO held at Terrace Heights

Love was in the air as Terrace Heights Retirement Community held its annual Valentine's Bingo game. This has been a popular event at Terrace Heights for many years, and 2014 was no exception. With 29 individuals in attendance, both tenants and members of the community enjoyed the entertaining afternoon.

Silence filled the room as everyone concentrated on their cards and held their breath for a win. Those lucky individuals who called out "BINGO" received wrapped presents that later could be shared with those who did not win, making sure no one missed out on a Valentine's Day gift. The bingo players also enjoyed refreshments and had opportunities to win door prizes throughout the afternoon.

Terrace Heights Retirement Community in Mauston hosts a number of activities throughout the year that are open to the community. On Friday, March 21, David HB Drake will present a "Potluck" family concert starting at 5 pm. This "Potluck" concert is a "feast" of familiar folk tunes that consist of a strong family message. Throughout his performance, David will share songs, poems and stories using a variety of instruments including a banjo, Native American flute, guitar and more. To reserve your spot for the upcoming show, or for more information about a tour of Terrace Heights, call 608-847-2377.

This tenant was very happy to call of her winning numbers at Terrace Height Retirement Community's annual Valentine's Bingo game event on February 11.

SPOTLIGHT

Community members help save lives

Approximately 39,000 units of blood are needed in hospitals across the country every day. Blood could be needed by a mother experiencing complications during birth, a father undergoing heart surgery, a child receiving chemotherapy treatments or a grandparent with severe anemia.

To help meet these demands, Mile Bluff Medical Center in Mauston recently hosted a community blood drive on January 27. The event was a partnership between the medical center and the Blood Center of Wisconsin - the only supplier of blood to Mile Bluff.

At the drive a total of 43 area residents came to Mile Bluff to make a donation. From these individuals, 35 units of whole blood, one person donated platelets and three units of double red cells were collected. Each of these donations can help improve the lives of up to three people in need. That means that the donations from this event alone will have the potential to impact over 100 individuals!

In addition to the donors, blood drive organizers would like to thank Mile Bluff's Food and Nutrition Department for providing refreshments, Eastern Star for volunteering to serve the food, the staff from the Blood Center of Wisconsin for making a trip to Mauston, and everyone else who helped get the word out about the event.

If you missed this most recent opportunity to make an impact on the local blood supply, Mile Bluff will be holding another drive on Monday, March 31 from 9 am to 2 pm. If you choose to donate, you will have the opportunity to make a whole blood, double red or platelet donation. If you would like more information on the upcoming event, or would like to sign up to make a donation, please contact the Blood Center of Wisconsin

HAPPY ST. PATRICK'S DAY

Mile Bluff Medical Center recognizes Kimberly Seitz for her volunteer service

by Travis Baumgarten

The staff of Mile Bluff Medical Center would like to recognize and thank Kimberly Seitz for her volunteer service at Fair View Nursing Home in Mauston.

"Kimberly has made a great connection with the residents and they enjoy her company very much," says Jill Finley, Recreation Services Coordinator at Fair View.

Although she was born with spina bifida (a birth defect that involves the incomplete development of the spinal cord), Kimberly doesn't let that slow her down. She spends many hours each week volunteering and helping others. From keeping residents company and getting them from one place to another, to helping out with daily activities, she keeps plenty busy. "I enjoy getting to know the residents and helping them with things that they might not be able to do on their own," said Kimberly.

When she is not volunteering her time at the nursing home, Kimberly enjoys walking, listening to music and playing basketball. She is also employed at VAARC in Mauston, where she often works a full day before volunteering another five hours or more at Fair View.

"By volunteering, you get to meet a lot of new people," explains Kimberly. "The residents and staff are very welcoming, and if you are thinking about volunteering, Fair View is a great place to do it."

If you would like to volunteer and donate time at Mile Bluff – Fair View Nursing Home in Mauston, contact Jill at 608-847-1290. If you would like to volunteer at Mile Bluff – Crest View Nursing Home in New Lisbon, call Lorraine Anderson at 608-562-3667. For opportunities at Mile Bluff Medical Center or Terrace Heights Retirement Community in Mauston, contact Reverend Fairchild at 608-847-1285.

There are opportunities available for individuals and groups of all ages!

Mile Bluff Medical Center recognizes Scott Klika for his volunteer service by Travis Baumgarten

The staff of Mile Bluff Medical Center would like to recognize and thank Scott Klika for his volunteer service in the hospital lobby.

Scott is a native of Oconto, Wisconsin, and now lives in Necedah with his wife. Scott volunteers a few hours a week at the information desk in the hospital lobby. From making copies and refreshing the complimentary coffee, to escorting visitors to their loved one's room, Scott keeps plenty busy.

When he is at Mile Bluff, Scott is likely to be the first one you see as you walk through the main doors, and he is always willing to help with any questions you may have. Scott is also able to utilize his bilingual skills at the medical center. "I only know a little Spanish, but if you need information on where to go, whether it is in English or Spanish, I can try to help," explains Scott.

Having experience as a certified nursing assistant (CNA) and a medical social worker, Scott is no stranger to the medical field. "I love working with people, and volunteering at Mile Bluff gives me a good mix between the work I did as a CNA and a social worker," says Scott.

Throughout his life, Scott has been an avid volunteer. Whether it was helping out with Boy Scouts and Cub Scouts when his kids were younger, doing volunteer work as a member of the Knights of Columbus, or just helping out his neighbors, Scott has always been willing to lend a hand. "I like the sense of helping people," added Scott. "If more people did a little bit to help others, what a better world it would be."

If you would like to make a difference like Scott, contact Reverend Fairchild at 608-847-1285 to donate some time at Mile Bluff Medical Center or Terrace Heights Retirement Community in Mauston. For opportunities at Mile Bluff - Fair View Nursing Home in Mauston, contact Jill Finley at 608-847-1290. If you would like to volunteer at Mile Bluff - Crest View Nursing Home in New Lisbon, call Lorraine Anderson at 608-562-3667.

There are opportunities available for individuals and groups of all ages!

Donna Fischer: Proud to be part of the Mile Bluff Medical Center team

by Katie Nuttall

In 1977, Donna Fischer joined the Mile Bluff team. Over the years, Donna has worked in various positions within the Mile Bluff organization. She began in the kitchen of the old hospital while she was in high school, and eventually worked into the nursing field. After serving in departments like Acute Care and Obstetrics, this mother of five now works in the Emergency Room (ER).

"I like the excitement and challenge of being in the ER," says Donna. "You really need a specific set of nursing skills and precision to work in critical care."

Since she was a little girl, Donna knew she wanted a career that allowed her to take care of people. As a lifelong Mile Bluff patient, Donna was inspired by the nurses and doctors who cared for her. "I started working at Mile Bluff because I saw it as an opportunity to care for others," explained Donna. "I knew it would be a rewarding experience and I always liked the hometown atmosphere that Mile Bluff had."

Throughout her career, Donna has always been impressed by the scope of services that Mile Bluff offers. "We truly do offer big-city technology with small-town care," said Donna. "Over the years, I have watched our organization evolve. I remember the old hospital ER where we worked in the basement in two treatment rooms. From there, I have watched Mile Bluff grow in to an even more impressive organization. It's been amazing to watch."

"I like that Mile Bluff keeps people at home. Because we offer so many services with the latest technology, people don't have to go to Madison or LaCrosse for all of their medical needs. They can get treatment here and stay close to home," explained Donna. "I remember when we didn't have dialysis and people had to drive to Madison every day for treatment. Now that we provide the service, people can come here instead."

Donna has also enjoyed watching the progress that technology has made in the medical industry. "The technology and education has changed so much over the years. At Mile Bluff, I've been able to stay up-to-date on the latest advancements used to care for patients."

Donna has appreciated the opportunities that Mile Bluff has provided to her. "Working at Mile Bluff, you really do have quite a few opportunities for advancement. You pretty much have a choice to work in any department you want to work in, especially in nursing. There's a lot of diversity here and Mile Bluff has many different paths for nurses to take."

Donna encourages everyone to take pride in the work that they do and the organization they work for. "Taking pride in your work is a basic need in employment. You need to be happy where you work and like what you do. You need to get along with and communicate with the people you work with. Most of all, you have to care for your fellow employee as well as all of your patients."

**Happy
Easter**

**Happy
St. Patrick's Day**

Lower your fuel costs with the
Fleet Plus Fuel Rebate Program

Save **15¢** per gallon*

on Shell fuel purchases for the first year from account open date of your Shell Fleet Plus account when you apply through the Fleet Finder Program. Maximum diesel rebate is \$300 per billing cycle.

Must apply by December 31, 2014 to qualify for the 15¢ per gallon rebate offer.

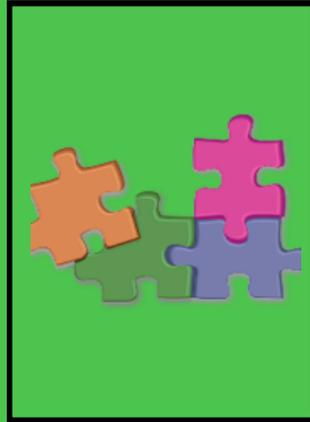

* Subject to credit approval. New accounts only. If approved, you will earn a 15¢ per gallon rebate on fuel purchases for the first year from account open date and then in accordance with the Shell Fleet Plus Rebate Program Terms and Conditions in effect at that time. Rebates will not be applied at time of purchase but will appear as a statement credit with your qualified purchases on your billing statement. See application for Shell Fleet Plus Card Rebate Program information.

What is sleep medicine all about?

Let Daylight Savings be the only reason you lose sleep this year! Need sleep? Mile Bluff Sleep Center can help.

If you'd like to learn more about Mile Bluff Sleep Center before making an appointment, please join the sleep center staff on Monday, March 3 from 5:30 to 7:30 pm at Mile Bluff Medical Center.

In addition to it being National Sleep Awareness Week, Mile Bluff Sleep Center will be celebrating the conclusion of its first year of operation. At the open house event, staff will walk you through the step-by-step process of utilizing sleep services, from evaluations to treatment options!

Both board certified sleep physicians will be available to answer any sleep-related questions you may have. Also, the sleep technologists will be available to explain what really happens during a sleep study, including showing you some of the equipment that is used at the sleep lab. If you would like to set up a sleep consultation appointment, staff will be able to do this while you are at the event! Tours of the sleep lab, located in the Terrace Heights apartment complex, will be available from 7:15 to 7:45 pm.

Community Home Medical Equipment (a retail supplier of home health products and services) will be at the event with some of the equipment that is used in homes to treat sleep disorders. For those who already have equipment, you are invited to come and see what is new and upcoming with mask options for CPAP machines. Refreshments will also be available.

If you need sleep, Mile Bluff Sleep Center can help! For more information

Mauston Golden Eagles High School **SOCCER**

GIRLS' SPRING SEASON APPEAL

More than 50 Boys & Girls will play Mauston HIGH SCHOOL Soccer this year!

While the District is supportive in many ways, high school soccer is not yet school funded.

To cover basic expenses (coaches, officials, buses) fundraising is a year-round effort.

Please consider a donation to "MGES" Mauston Golden Eagles Soccer

(Not part of MAVS – Mauston Area Youth Soccer)

Business/Individual Name _____

Donation \$ _____

Contact Denise Laridaen, MGES Treasurer, with questions:
847-9099 or 608-567-9677

Mail donation with this form to: MGES, 107 E. State St., Mauston, WI 53948
