SPOTLIGHT

The Bank of Mauston donates \$5,000 to New Lisbon Memorial Library

Pictured here are: (back, l-r) Mark Hansen (NLML board member), Robert Fait (BOM President), Kathy Gibeaut (NLML board member), Kathy Shreier (NLML assistant librarian), Karren Elsing (NLML board member), (front, l-r) Audrey Kallies (BOM - New Lisbon Branch Customer Service Representative), Amanda Emery (BOM Marketing Director), Mary Elsing (BOM - New Lisbon Branch Customer Service Representative), Karen Bell (BOM - New Lisbon Branch Manager), Deanna Roiser (NLML Director), Ada Macomber (NLML board president) and Loretta Balgord (NLML board member).

New Lisbon, July 26, 2012 – On Monday, July 23, The Bank of Mauston became the latest local business to present the New Lisbon Memorial Library with a \$5,000 check. With the bank's contribution, the library had raised \$130,000 for its building remodel project.

Deanna Roiser, New Lisbon Memorial Library Director, states, "We now have over \$135,000 in the library building remodel fund. This means that we can go ahead with the next phase which is hiring an architect to render a drawing of the proposed building." She continued to say how happy she is with the out-pouring of community support, "Preliminarily, the figures I have heard that it will take to complete this project are right around \$1 million. So while we still have a ways to go, none of this would have been possible without the generous support of area individuals, organizations and businesses - such as The Bank of Mauston."

This donation is just one of the many ways that The Bank of Mauston continues to find to give back to our communities. By supporting organizations and community outreach programs, such as the New Lisbon Memorial Library, The Bank of Mauston continues to adhere to initiatives that 'help our community grow!'

The Bank of Mauston is proud to introduce Amanda Emery as its Director of Marketing

Mauston, WI August 21, 2012— In July, The Bank of Mauston welcomed Amanda Emery to its team as the Director of Marketing. While she may be new to The Bank of Mauston, Amanda is no stranger to Mauston, or members of the community. She was born and raised in Mauston, and is a 2003 graduate of Mauston High School. In the winter of 2007, Amanda graduated from the University of Wisconsin Oshkosh with a Bachelor's of Business Administration degree in marketing, a Bachelor of Arts degree in communications/radio-TV-film and a minor in French.

Since graduating from college, Amanda has worked at Walgreens as a certified photo specialist and St. Paul's Evangelical Lutheran Church as the church secretary. Prior to coming to The Bank of Mauston, Amanda served as Public Relations Assistant at Mile Bluff Medical Center for nearly four years.

As Amanda transitions into her role, she says that with the support of her colleagues at The Bank of Mauston, she is ready to take on her responsibilities, "I am new to The Bank of Mauston, but the people there have adopted me into their family so quickly - I don't feel 'new.' The staff members have been very helpful and willing to teach me all there is to know about banking." She continued, "With the camaraderie of my co-workers in my corner, I am able to meet my new challenges with enthusiasm!"

When not at The Bank of Mauston, you can probably find Amanda at one of her other jobs (she still works at St. Paul's and Walgreens). On her days off, Amanda enjoys spending time with friends and family, reading, and attending or watching NASCAR races. Please join The Bank of Mauston in welcoming Amanda Emery to its team!

Community members help save lives

Caption: Ann Golden was one of 69 donors who came to the recent blood drive held at Mile Bluff Medical Center in Mauston. If you missed this opportunity to donate, the medical center will host another drive on September 17 and 18.

Approximately 39,000 units of blood are needed in hospitals across the country every day. Blood could be needed by a mother experiencing complications during birth, a father undergoing heart surgery, a child receiving chemotherapy treatments or a grandparent with severe anemia.

To help meet these demands, Mile Bluff Medical Center in Mauston recently hosted a community blood drive on July 16 and 17. The event was a partnership between the medical center and the Blood Center of Wisconsin - the only supplier of blood to Mile Bluff.

At the drive a total of 69 area residents came to Mile Bluff to make a donation. From these individuals, 54 units of whole blood, four units of double red cells, and three units of platelets were collected. Each of these donations can help improve the lives of up to three people in need. That means that the donations from this event alone will have the potential to impact nearly 200 individuals!

In addition to the donors, blood drive organizers would like to thank Mile Bluff's Food and Nutrition Department for providing tasty refreshments, Eastern Star for volunteering to serve the food, the staff from the Blood Center of Wisconsin in Marshfield for making a trip to Mauston, and everyone else who helped get the word out about the event.

If you missed this most recent opportunity to make an impact on the local blood supply, Mile Bluff will be holding another drive on Monday, September 17 and Tuesday, September 18 from 9 am to 2 pm both days. If you choose to donate, you will have the opportunity to make a whole blood, double red or platelet donation. If you would like more information on the upcoming event, or would like to sign up to make a donation, please contact the Blood Center of Wisconsin toll-free at 1-888-310-7555.

The 13th Annual Touchstone Energy Waterfest Venetian Lights Boat Parade and Celebration. The weather was perfect, the decorated boats were unique, hundreds of boats paralleled the parade and spectators lined the shore. Waterfest has become one of the best attended festivals in the county. We would like to thank all our sponsors big & small for making this happen. If you enjoyed the lighted boat parade, the fireworks and all the great activities at Castle Rock County Park, be sure to thank the businesses below, they made it possible!
