

## **Sec. 6-27. - Temporary Class B Fermented Malt Beverage And/Or Temporary Class B Wine License.**

Applications are to be completed on forms provided by the state department of revenue and must be received a minimum of 15 days prior to the granting of the license, per Wis. Stats. § 125.04(3)(f).

In addition to all statutory requirements, the **following requirements shall be fulfilled** for each temporary class B fermented malt beverage and/or temporary class B intoxicating liquor (wine) license.

- (1) **Signs.** All organizations issued a class B license shall post, in a conspicuous location at the main point of sale and at the point of entry, a sufficient number of signs stating that no fermented malt beverage shall be served to any underage person or to any person without proper identification.
- (2) **Fencing.** Unless otherwise permitted, all organizations shall install a fence around the area where fermented malt beverages are to be sold and consumed. No sale or consumption of fermented malt beverages shall be permitted outside of the fenced area and no underage person shall be permitted within the fenced area unless such underage person is accompanied by his parent, guardian or spouse who has attained the legal drinking age. The organization shall also continually station a person at the entrance of the fenced area for the purpose of checking age identification. There shall be only one point of ingress and egress, and the fence shall be a minimum of four feet high. If consumption is to occur indoors, a fence shall be used unless persons under the legal drinking age are not permitted to enter the building.
- (3) **List of licensed operators.**
- (4) **Outdoor consumption.**
  - a. When an organization requests a license for an outdoor area, the application shall identify the location and size of the fenced area, and the organization shall work closely with the police department in locating and setting up the fenced area.

**NOTE:** *(A simple map is sufficient. It need not be to scale but must be marked and labeled with the area, surrounding structures/streets named [ie: State St./building or business names], and fencing location drawn)*
