A Benefit of Chamber Membership

A benefit of Chamber Membership is the introduction of Chamber Bucks. Chamber Bucks come in \$5, \$10, \$25 & \$50 denominations and can be bought at the Chamber office. They can only be redeemed at the businesses of chamber members. They should be handled just like a check – deposit them directly into your business bank account. There is no cost to you, the merchant, and the chamber makes no money on this, it is strictly a benefit.

Anyone can purchase Chamber Bucks, and will receive a list of places they can be redeemed. They are perfect for hard to buy for friends, family and co-workers; and are great for any occasion because they can be redeemed at a number of different places (retail, restaurants, etc.)

How Customers Use Chamber Bucks Chamber Bucks come in \$5, \$10, \$25, & \$50 denominations and can be used at any of the following chamber businesses. Simply fill in the “Pay to” and present to the business of your choice.

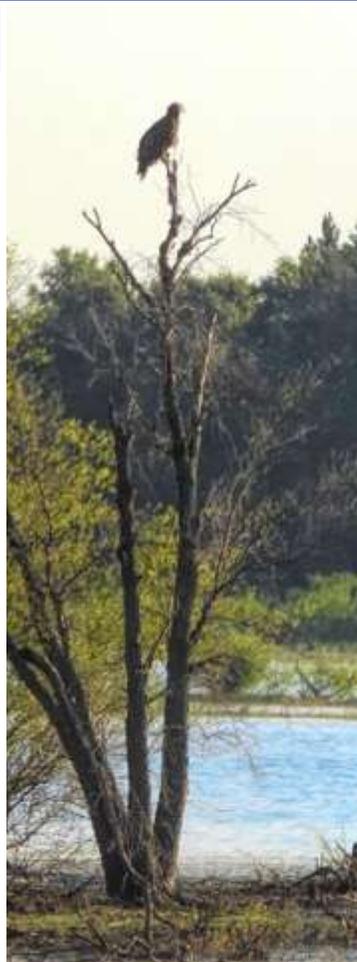

**Chamber Bucks make a great Stocking Stuffer or last minute gift.
Call Mauston Chamber at 608-847-4142 to Purchase yours.**

Disabled Hunter

Deer hunters with a Wisconsin DNR State Permit Class A, B or C for persons with disabilities may apply for a refuge special use permit to use service access roads otherwise closed to vehicles to hunt white-tailed deer. Disabled waterfowl hunters may also call to reserve an accessible waterfowl blind on Suk Cerney Flowage. Only the permit holder and one helper may ride in a specified vehicle. All state and federal hunting regulations apply. Call Katie at 608-565-4403.

Trapping

Refuge trapping permits are available by lottery. If awarded a trapping unit, trappers may be required to remove beaver. A minimum of one youth mentored application will be drawn and given a priority trapping unit. Trapping on refuge is allowed by this special permit use only. Stop in the visitor center to pick up an application.

Wood Cutting

Firewood collection is by permit and for personal use only. Collection is allowed in assigned area within 100 feet of roads. Only marked trees may be removed. Stumps must be cut flush to the ground. An individual is limited to 2 permits per fiscal year. Pick up an application at the front desk.

Volunteer at Necedah NWR

Refuge volunteers are vital to the Necedah National Wildlife Refuge mission. Volunteers contribute hundreds of hours each year to help meet this mission through monitoring bird populations, leading school groups, maintaining trails, taking photos, helping in the office and repairing equipment and facilities. No special skills are needed to be a Refuge volunteer. If you have a desire to help, we need you. We hope you'll join us! The best way to find out about current volunteer opportunities is to contact the Refuge.

To become a volunteer email Necedah@fws.gov or call 608-565-2551.
